

## JULY 10, 2004 AUCTION PRICE REPORT

The summer auctions always have a great mix of summer and winter "toys", and this auction was no exception. There were 148 recreational vehicles, including snowmobiles, 3 & 4 wheelers, street and dirt bikes, jet skis, boats, pontoons, trailers, golf carts, go carts, campers, cars and trucks, and more! Buyers and sellers were here from 4 states and Canada. The auction was concluded at 1:20pm.

This auction report lists all the items in the July 10, 2004 auction. Items with a S in front of them are the items that SOLD. The price listed is what the item SOLD for. Items with a N in front of them are the no sale items. The prices listed are the highest bid received on that item. This report is for the private use of our friends, customers, and dealers. The auction report can not be reproduced or used for any other purpose without our expressed, written approval. All rights reserved.
